On behalf of the Lockport Senior High School Yearbook Staff, we wish to offer our congratulations to the graduating class of 1978. We hope that this book is proper and fitting evidence of a successful year. Many long hours of hard work have gone into these pages. An expression of thanks must be extended to everyone who participated in this project, especially Robert Storrs and Maureen Buzyniski for their aid in our cover design. May this book not only represent the class of the year, but the entire student body, our teachers, and the community. Thank-you for placing your confidence in us and although we, as a staff, have gone through some trying times together, the end result is clearly a success. We take great pride in presenting to you a very special edition — the 1978 Forum

and a time for every purpose under heaven.*

*A time to be born and a time to die,
A time to plant and a time to pluck up
what has been planted.*

*A time to kill, a time to heal,
A time to break down and a time to build up.*

*A time to weep and a time to laugh,
A time to mourn and a time to dance.*

*A time to cast away stones and a time to
gather stones together; a time to embrace
and a time to refrain from embracing.*

*A time to get and a time to lose,
A time to keep and a time to cast away*

*A time to rend and a time to sew,
A time to keep silent and a time to speak.*

*A time to love and a time to hate,
A time of war and a time of peace.*

Congratulations to the graduates of the Class of 1978 upon the successful completion of another chapter in your lives. You can be proud of your accomplishments thus far; they were not won without much effort on your part. What you have earned cannot be taken from you. Do not become complacent, however, and decide to "rest on your laurels". Education is an ongoing process. Avail yourself of every opportunity to add to what you already have. Set realistic goals and keep them ever in sight. Do not expect success at every turn, and do not be daunted by occasional failure. That too is part of the learning process. Here at LSHS your teachers have endeavored to prepare you for an adult life as a good citizen. The rest is now up to you. All of us have faith in your ability to succeed.

Best Wishes,

Edward W. Sullivan

Two years ago, the yearbook staff of 1976 ran a feature that asked the students what being a sophomore, junior, and senior meant to them. This year the yearbook staff was requested to run it again. Following the wishes of our patrons, the students, the next four pages will provide some answers. The only difference is that the teachers will give their interpretations of sophomores, juniors, and seniors. The students will, in turn, give their definitions of what they think a teacher is or should be.

Thank you for your cooperation with these interviews.

— the FORUM Staff '78

What Is A Sophomore?

"A sophomore is someone who isn't as smart as a junior, but is intelligent enough not to act like a senior."

— Mr. Bill Storrs

"A sophomore is somebody who is still trying to get good grades."

— Mrs. Virginia Schmidt

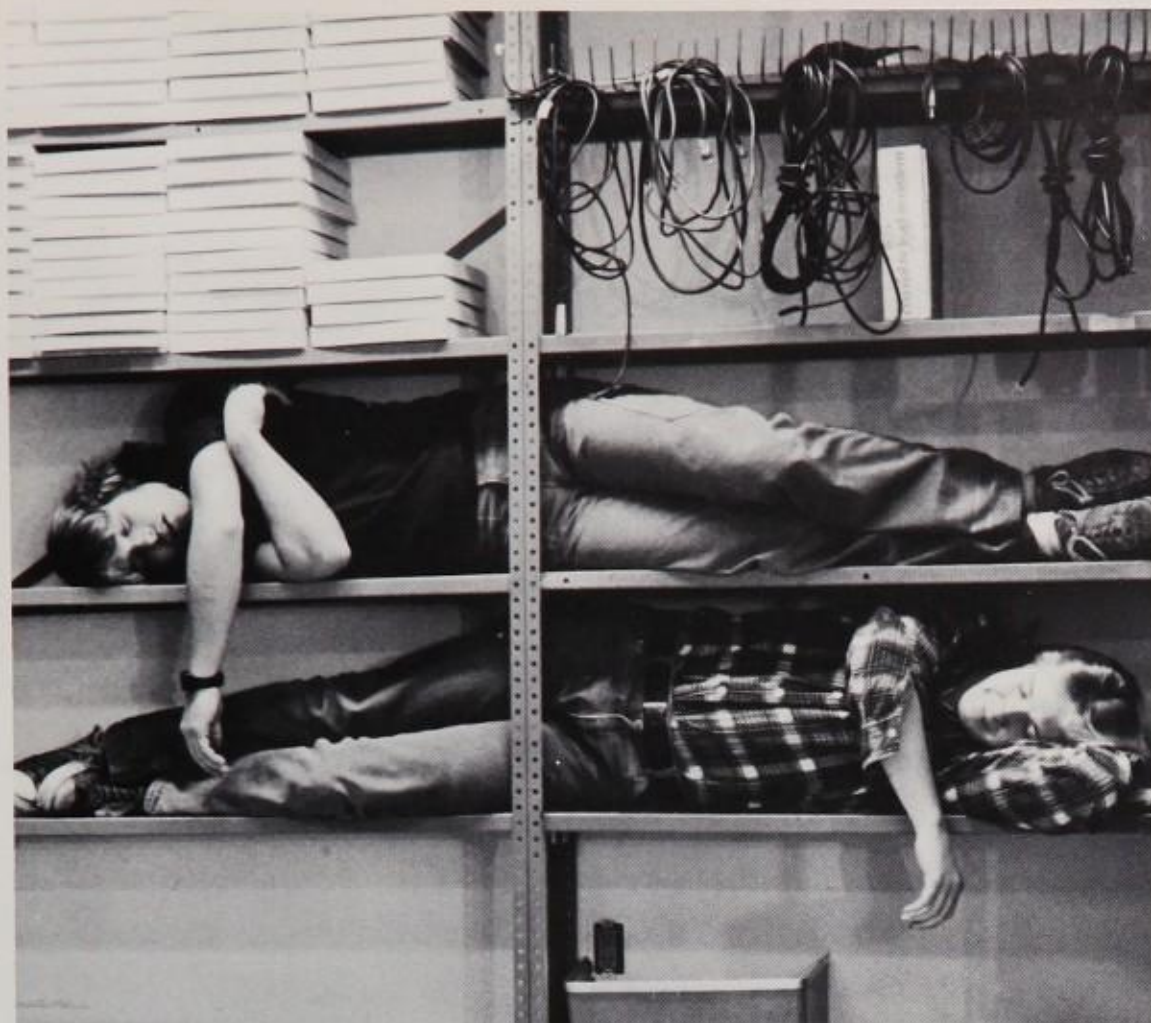

"A sophomore? Well, that's an immature student!"

— Mr. Robert Brown

"Sophomores are always three inches shorter than the seniors and a little bit louder."

— Ms. Barbara O'Reilly

What Is A Junior

"Someone in limbo between 10th and 12 grade."

— Mr. Richard Micoli

"When you're a senior it's understandable. When you're a sophomore it's forgivable. But, when you're a junior . . . well . . . someone has to take the blame."

— Mrs. Maureen Buzynski

"That means a lot of people back for next year's basketball season!"

— Mr. Richard Crossett

"A person who wishes he was a senior, but glad he's not a sophomore."

— Mr. Wayne Rivers

"All juniors do is complain. They complain when we do the same things, and they complain when we do something different."

— Anonymous
(Business Teacher)

What Is A Senior?

"A senior is a person that is the product of 12 years of elementary, junior and senior high school classrooms. He is on the brink of the decision to either get married, work, join the service, or go on to higher education. A senior manages a social calendar that would tire most adults just to read it: concerts, sports, jobs, homework, and a night life that suggests that they aren't kids anymore. But most of all, a senior is stretching and reaching out and saying 'Here I am world! Make room for me.'"

— Jack DiMaggio

"Someone who thinks that he deserves all of his rights, but won't act like he should get them."

— Shirley Palmiter

"Someone who wants to get out of here."

— Mrs. Linda Vidler

He knows who's boss!

"An individual who, at this stage of his life, has all the answers to last him forever — he knows it all."

— Mr. John Whitmore

"An individual who, by passing basic competency exams and by virtue of his perseverance, has earned the respect and admiration of his parents and the envy of his friends."

— Mr. Darrell May

What Is A Teacher?

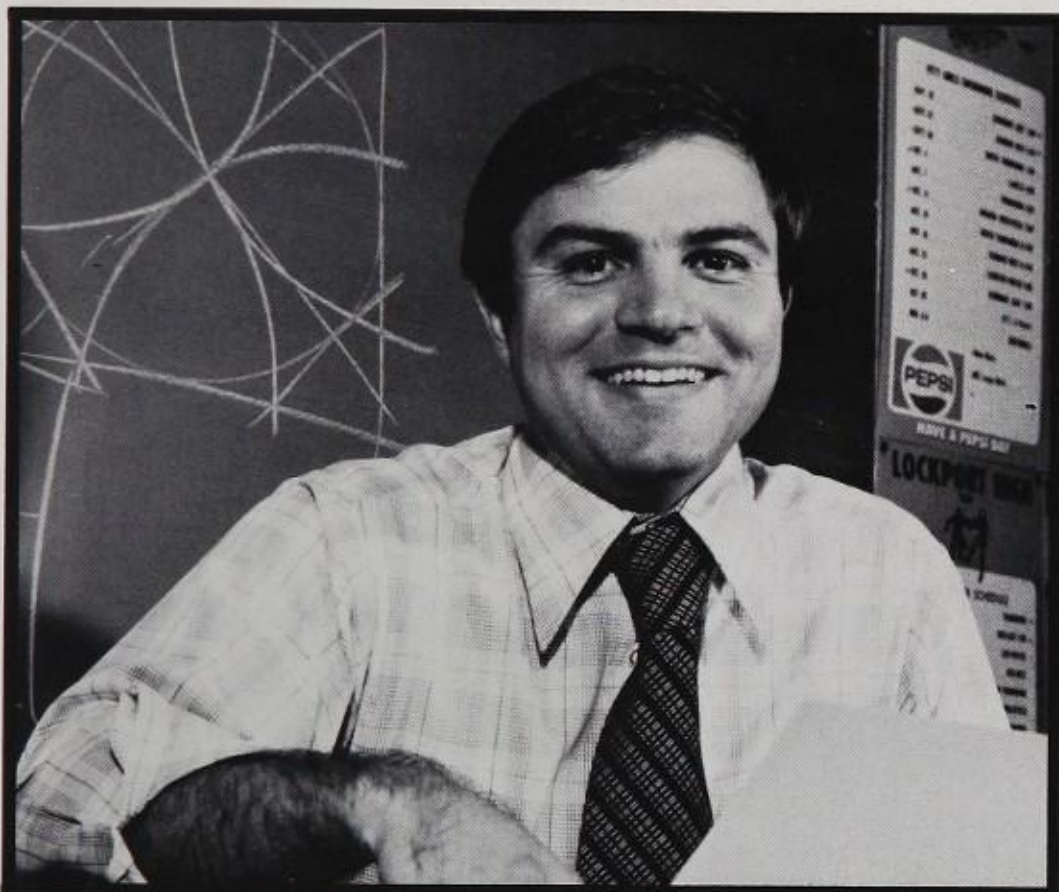

"A person who's always right."
— Bob Mosher

"An overgrown student."
— Kathy Goodwin

"Please don't ask."
— Ann Murphy

"The fertilizer in the garden of life."
— Mike Barnum

"A friend, kind of."
— Linda Fenzle

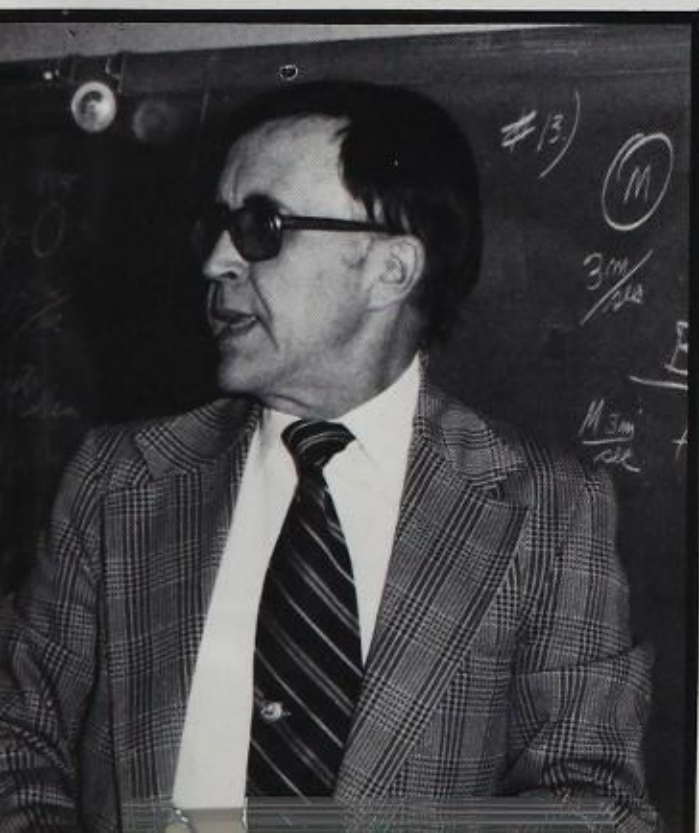

"Someone who drives you to drink."
— Kent Millspaugh

"Someone who exposes you to new ideas and tries to guide you."
— Leetsa Mellas

"A species of a third kind."
— Jeff Shmerler

"Someone who's willing to help if you try."
— Kathy Coakley

"A babysitter."
— Thérèse McGreevey

"That's too difficult a question."
— Ron Genewick

"A person who kicks you out of the lav."
— Michelle Camarre

"I'll tell ya later."
— Amy Lange

Don't walk in front of me,
I may not follow.
Don't walk behind me,
I may not lead.
Just walk beside me,
And be my friend.

The Lockport Senior High Graduating Class of '78

MR. JACK DiMAGGIO, Advisor

JOANNE WEAVER, Secretary

VICKY LEWANDOWSKI, Treasurer

The 1977-78 school year can be called the year of the female. We have experienced not only the election of the city of Lockport's first woman mayor, Mrs. Joan Radecke, but the election of four very enthusiastic and qualified young women as LSHS senior class officers: Jayne Vanderlinde, President; Lynn Bulmer, Vice President; Joanne Weaver, Secretary; and Vicky Lewandowski, Treasurer. Combined with a sincere outlook to make the class of '78 the best ever, and with the help of many hard working seniors, events such as Homecoming and the Holly Hop were very successful and will always be remembered.

As we look ahead with equal confidence and excitement to culminating formalities like Class Night, the Baccalaureate Service, the Senior Prom and Graduation, there is no question that the class of '78 will, under the leadership and direction of its officers, be among the most successful in the history of our Alma Mater.

SPORTS PROMOTION

The 1977-78 Sports Promotion Club has continued its success in recognizing and supporting the various sports teams, as well as encouraging school spirit. Programs were sold at each home football game. Refreshments were sold at all home track, football, and basketball games to raise money in order to subsidize games. The Rotary Club sponsored a program at Emmet Belknap field featuring Bruce Jenner.

During the homecoming week, a pep assembly was held. All of the fall sports teams were announced, and the students were encouraged to support their school.

Throughout the year, announcements and posters were made concerning the dates and locations of the athletic events and the results of them.

Jackets were purchased for the sectional winners in cross country, track, and girl's swim team.

The Sports Banquet, where all the teams and coaches are introduced, was hosted by Sports Promotion.

A new program was introduced this year, the induction of sophomores as members. These new members provided greater coverage of the events.

In all, the club has worked hard to serve the school and all of its sports teams.

A black and white group photograph of the 1976-77 L.S.H.S. Wrestling Team. The team is posed in four rows outdoors on a grassy field. The front row consists of seven people kneeling or sitting, including six wrestlers in light-colored L.S.H.S. jackets with numbers (99, 100, 98, 97, 96, 95) and one person in a dark jacket. The second row has eight people standing, mostly in L.S.H.S. jackets. The third row has seven people standing, also in L.S.H.S. jackets. The back row has four people standing, including two in L.S.H.S. jackets and two in regular shirts. On the far right, a man in a suit, tie, and hat stands as a coach or manager. The background shows a grassy field and trees.

NFL CHAMPIONS

The highlight of the year was the individual performance of Kevin Lanighan at the State Meet held in Malone, N.Y. His time was the best by any Western New York runner — 15:17.6 for three miles. Also, his seventh place finish in the Class A race was the best ever by any LSHS runner in state-wide competition. In addition, Lanighan, Max Lederer, Chip Paul, and Mark Lederer were named to the All-League Squad.

LIONS SHOW EXCITING SEASON

We, the coaching staff and players at LSHS, looked at the 1977 football season with great enthusiasm and optimism. Our goal was to win the Division Three Championships. After playing four division games, we were in a tie for first place with a 3-1 record and only two games remaining to be played. Unfortunately, we lost the last two games and ended up in fourth place. It is our desire to renovate past Lockport Senior High School football fortunes and to institute a stable and exciting winning tradition here at LSHS.

LSHS Basketball Team Has Successful Season

The 1977-78 basketball Lions began the year in exciting fashion by going through the Niagara Division of the Niagara Frontier League with a 5-1 record — the only loss being a one point defeat at the hands of Division winning Kenmore-West.

Losses due to season-long injuries to sophomore Laverne Evans, juniors Jim Healy and Brian Ranney, and senior Steve Anderson hurt the Lions in the championship round of the NFL. However, the Lions 4-5 record in the championship round led to a berth in the Section VI AA Class.

The outstanding performances of junior Kevin Haynes led the Lions all year. Steady Tim Hicks, sophomore Lawrence Maroney, and sixth man Kevin Woody also provided the spark for the Lions' season.

With only three Lions graduating, the prospects for the future look very promising.

JUNIORS

Class of '79

In its junior year, the Class of '79 had already shown its spirit in its activities. Enthusiasm was greatly noticed when the class started out the year by participating in the magazine drive, and continued to show spirit by helping out the Honor Society in its annual canned food drive.

As all juniors do, they selected, ordered and received their class rings. The eleventh graders also decided on raising money for their treasury by having a dance in late January for the entire school. It featured WYSL and WPHD, a Disco Road Show!

Finally, ending the year the same as they did as sophomores, they produced a play. It was entirely selected and arranged by the Class of '79.

SOPHOMORES

Class of '80

This year's spirited sophomore class pulled ahead of both the junior and senior class when they successfully completed magazine sales. Leaving their mark as the high sellers of the school and of any sophomore classes of the past, they achieved a total of over 12,000 dollars in sales.

Needing more money for their futures as seniors, they planned on selling a variety of candy. The candy was sold both inside and outside of school. A prize of an instamatic camera outfit was offered to the person turning in the most money.

The sophomore class is looking forward to exciting and successful junior and senior years.

As in the tradition of previous years, AFS had three exchange students, the first being Gretchen Schumacher. She left in June for Istanbul, Turkey where she spent the summer. Her Turkish family — Sedat, her father; Tuskin, her mother; and Esra, her 18 year old sister — helped her to adjust to the challenging Turkish customs. She found some difficulty, however, in getting used to going without electricity and comprehending the language.

The antiquity of the cities and villages was a beautiful setting for the friendly but conservative people. Gretchen found that customs on dating and marriage are strictly enforced.

A favorite of Gretchen's was mealtime. Although dinner was mostly vegetables and fruits, Turks eat a lot of ice cream. Food was purchased in open air markets along the roadside. We hope Gretchen enjoyed her experiences and we wish her much luck and happiness in coming years.

From Bangkok, Thailand to Lockport, U.S.A. — this is the jump that Somnit Komlayut made this summer.

Somnit, the daughter of Mr. Tqwee and Mrs. Somporn, Komlayut is our AFS student from Bangkok, Thailand. In Bangkok, she lives with her parents, four sisters, and one brother. In Lockport her host family was the John Jessons, of 340 Washburn Street.

Somnit, or "Nit" as she's referred to by her friends, enjoys all kinds of music and eating pizza. She definitely doesn't like cheese.

Nit found many customs here are different than those of Thailand. The snow here was a change she liked. In Bangkok, she doesn't change classes for kindergarten through twelfth grade. Their music is basically the same as it is here, according to Nit.

From Bangkok, Thailand to Lockport, U.S.A. — we enjoyed her stay with us.

Suzanne Fuchs, of Boschum, West Germany, was the third AFS exchange student for this year. She is the younger of two children; Joachim, her brother, is 21.

She is the daughter of Mr. and Mrs. Willibald Fuchs. In Lockport, with Mr. and Mrs. John Hartmann and family as her host family, she lived at 6429 Hamm Road.

She is an outgoing, fun-loving girl, which made it easy for her to adjust here. Some of the likes she developed included Levis, volleyball, band, McDonald's, and Pizza Hut. Records of Genesis and Jethro Tull provided some enjoyable, entertaining music for Sue. She doesn't like American TV commercials, fancy clothes and make-up, cooked vegetables, or malted milk balls.

After Sue's graduation from LSHS, she flew back to her hometown in West Germany. All the students and faculty wish her good luck and bid farewell.

STUDENT COUNCIL IS REVISED

This year saw a radical change in LSHS student council. The constitution was revised and the council reorganized. The reorganization saw student council cut from 80 to 40 members, resulting in a more efficient and workable student organization.

The traditional student council activities were again undertaken this year. The "MANE" week was perhaps the best in recent years. Budget allocations were a somewhat easier task this year because of the successful magazine campaign. The Senior Citizens Day, AFS assembly, and the Presidential Classroom were again organized by Student Council.

Magazine Drive Hits All-time High!

Magazine Drive 1977

At the very least, the 1977 version of the Magazine Drive could be called a "roaring" success. Without exception, every record ever attained in the history of the school was smashed.

Our grand total of \$31,336.72 represented, by far, the greatest number of magazines ever sold at LSHS and should put us in the top five in New York State.

All three classes set records which will be hard to top in the future. The seniors set a record of \$8579.00 and, in the process, set a new three-year record of \$28,584.00 as a class. The juniors set a new record of \$9936.00, and the sophomores turned in an astounding \$12,821.00! Junior homeroom 202, led by Mr. Micoli, set a new homeroom record of \$1308.21.

As for prizes, Cindy Gregory was high salesman (\$341.00 and received a \$50.00 savings bond. Lynn Peterkin found her name in the mystery envelope and won a new \$50.00 bill.

Hundreds of students too numerous to mention shared in the mountain of prizes given away for participation. Prizes included mugs, T-shirts, small lions, large lions, pillows, athletic passes, and \$25.00 savings bonds.

It was a most successful magazine drive and, because of it, a most successful year of student activities.

Presidential Classroom

Cindy Gregory was the second LSHS student sent to Washington, D. C. to participate in the Presidential Classroom. During her intensive one-week program, Cindy joined other high school students from across the nation in seeing our federal government at work. This program has proven to be a very beneficial experience, both to Cindy and to LSHS. It is hoped that LSHS will be represented yearly in the Presidential Classroom.

NIAGARA COUNTY INTERN PROGRAM STARTS NEW TREND

NIAGARA COUNTY LEGISLATIVE INTERNSHIP PROGRAM

The Niagara County Legislature, in co-operation with the Niagara area BOCES, set up a student internship program with nine area high schools for 1978. Lockport's two interns, juniors Marilyn Murphy and Beth Roskopf, worked very closely with legislators John Oates and George Meier, attending meetings, debates, hearings and caucuses, and spending a great deal of time researching and preparing a project corresponding to their experience.

The interns participated in every phase of the County Legislature's proceedings, hoping to fulfill the project's goal of showing young people how the legislature operates, what it does, and how it touches the daily lives of all the citizens of this county. They were assisted in their efforts by their sponsoring legislator, the LSHS Adviser, Paul Vermette of the Social Studies Department, and by LSHS's alternate intern, sophomore Patty Joustra.

Having spent five months in their roles, Beth and Marilyn have learned a lot and have brought their experiences back to the school. As they share their thoughts and new knowledge with their fellow students, they will be extending the program in a way that will touch hundreds more students, and may serve to create a better understanding of the county's government and a better realization of each individual's role and stake in that government.

THE GATE TO '78"

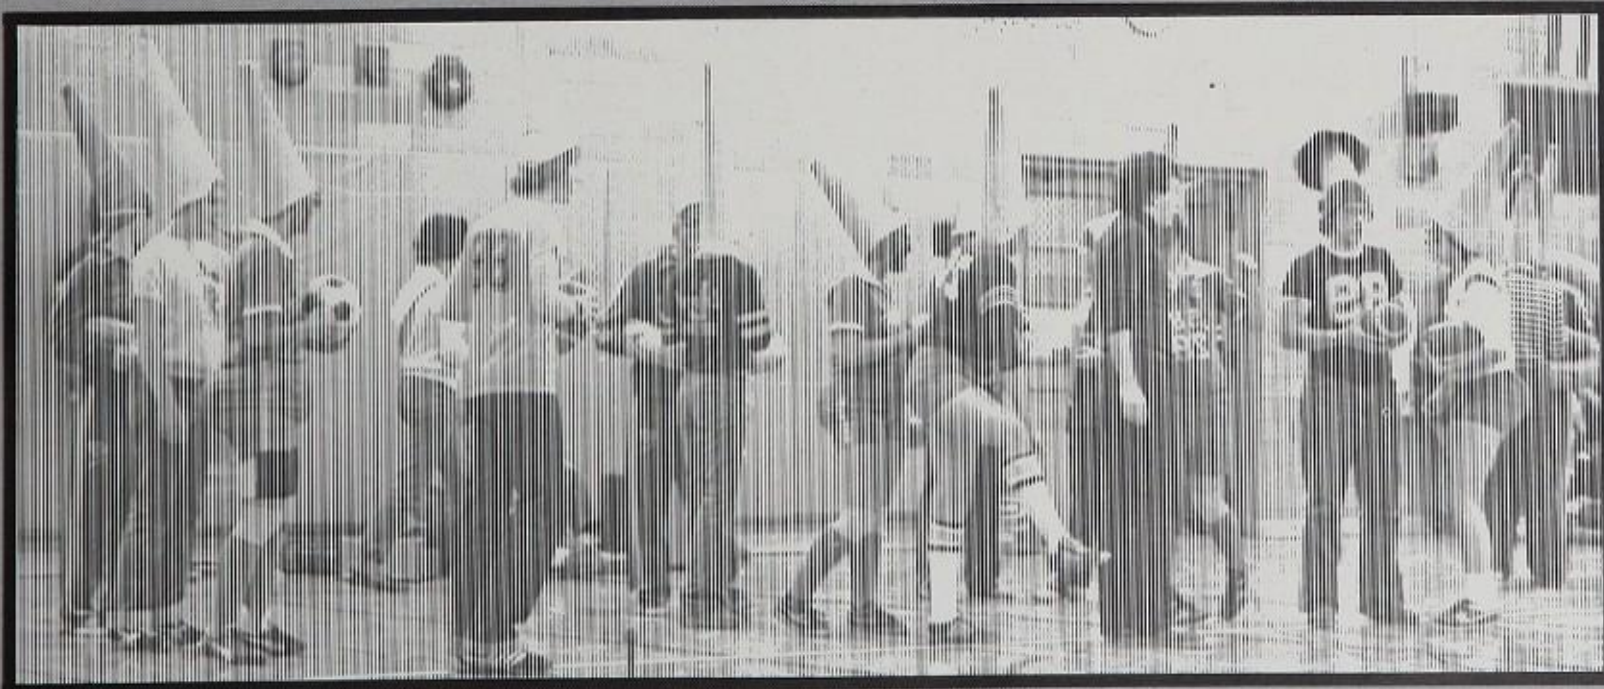

King and Queen — Ron and Gretchen

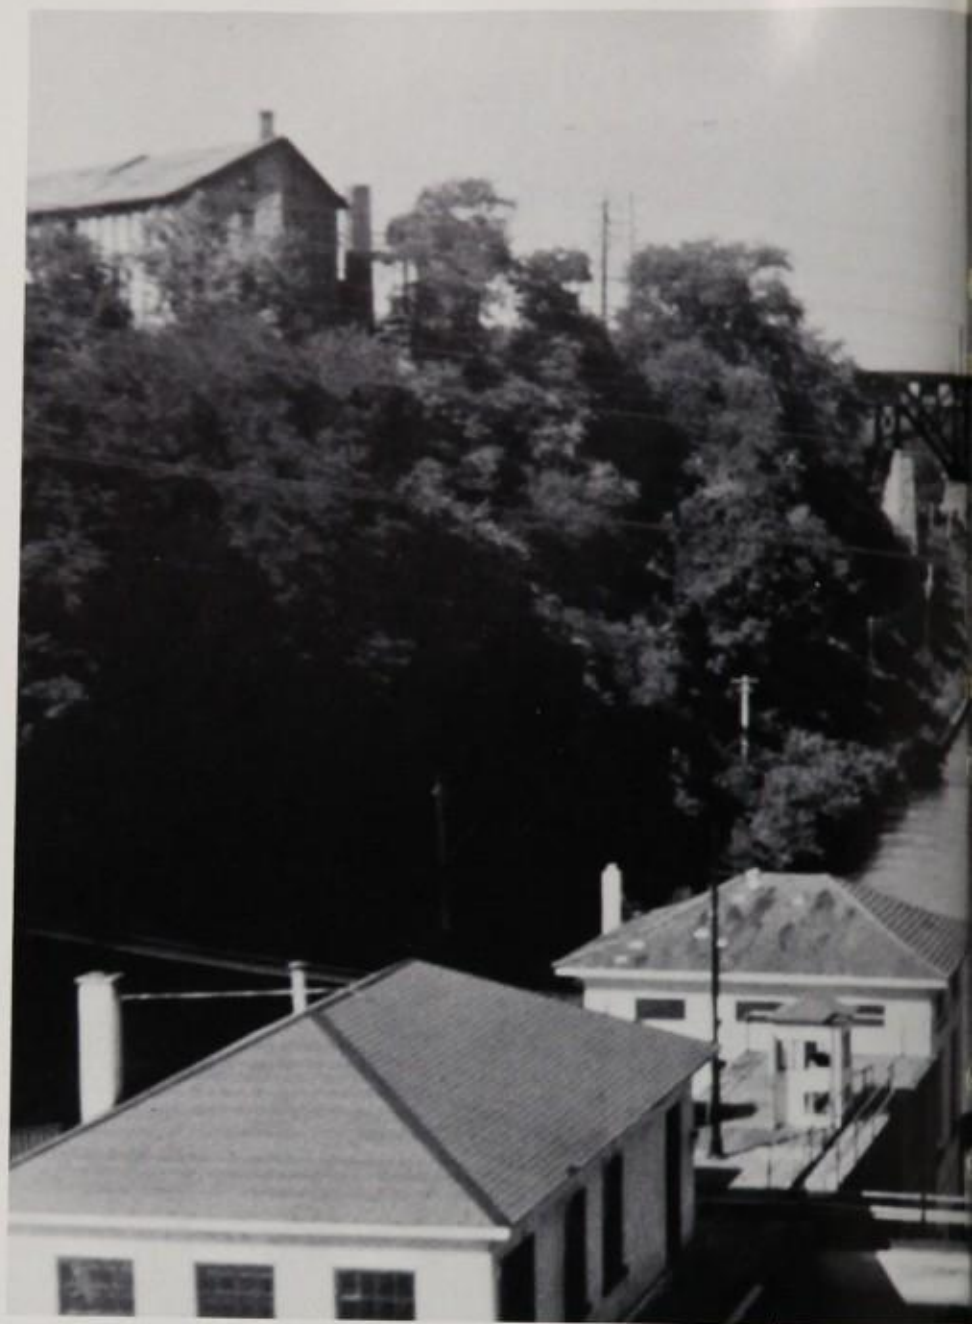

"Open The Gates To 78" was the theme of this year's Homecoming. Mary Ridler and Marcy Stevenson were chairpersons of the week's events, which started by voting for king and queen. The winning couple was Ron Genewich and Gretchen Schumacher. Monday, the school was decorated and a car parade and contest was held. The junior class won in the car competition. During the rest of the week, parades were held in the halls displaying costumes of all kinds. Wednesday was Ribbon Day and Jimmy Musto was the winner with over 800 ribbons. Thursday was dress-up day — in the style of the 50's. On Friday a pep assembly was held for the upcoming sports games, all of which were won! At the football game, a pie eating contest had two winners, John Beaton and Jerry Brewer. To end the week, the WPHD Disco Road Show hosted the Homecoming dance, the most successful in the history of LSHS.

AND WHAT DO WE REMEMBER?

We look back and remember the happy times, the feeling of rewards for hard work and dedication. At other times, we felt all alone, isolated in the midst of a crowd. Our existence was one of new beginnings and endings that filled our lives and our memories. It was our year, molded by the vast and diverse character of who we were and what we had become.
